Don't Give Up on Relationships!

Are you getting tired of the dating game? Have you had more than your share of dead-end relationships? Are you weary of putting time and energy into relationships that start out great but end with heartache?

If so, then you should attend the "Successful Relationships Workshop." SRW will deal with important relational issues, like:

- How can I know if a relationship has real potential?
- Why are women (or men) a mystery to me?
- How can I avoid sabotaging a good relationship?
- What do I do if I am in an unhealthy relationship?
- Is it possible to break up without it getting ugly?
- How can I become more comfortable with members of the opposite sex?

Workshop Presenter

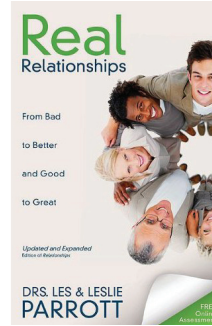

For over 20 years, it has been the joy of Craig Henry to serve as a Pastor to Single Adults in the Cleveland, Akron, and Canton areas, including several years at The Chapel (2002-08). He is a "Singles Pastor at Large,"

presenting workshops at a variety of locations in northeastern Ohio. This will be his 15th "Successful Relationships Workshop" and over 2,000 singles have enjoyed it. SRW is a result of Pastor Craig's doctoral dissertation on "Building Relationship Skills in Single Adults." Facebook him, follow him on Twitter (@Singles_Pastor) or his blog (SinglesPastor.blogspot.com).
